Management of the City is responsible for the financial and accounting records of the City. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached schedule either for the purpose for which this report has been requested or for any other purpose.

Our procedures, findings, and recommendations are listed in the attached schedule.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion on the financial and accounting records of the City. This report, a public record by law, is intended solely for the information and use of the Officials of the City of Lake Park, Iowa and the Iowa Office of Auditor of State, and is not intended to be and should not be used by anyone other than these specified parties.
